MENTAL, STRESS, ALERTNESS

			Cognition, Memory, Concentration	Stress management, Good mood	Better sleep	Headache	Internal studies
Zynamite®	<i>Mangifera indica</i>	Nutraingredient award 2018, alertness, focus and concentration, faster reaction time, caffeine-like with no jitters, nervousness, agitation	●				●
EnXtra®	<i>Alpinia galanga</i>	Caffeine amplifier, focus and mental energy, alertness (sharpens alertness and focus for upto 5 hours), dopamine release	●				●
Rhodiolife®	<i>Rhodiola rosea</i>	Improves cognitive function under stress and fatigue, antidepressant effects, good mood, prevents the degradation of serotonin, dopamine, catecholamines in the brain, adaptogenic	●	●			●
Tinofolin®	<i>Tinospora cordifolia</i>	Improve visual memory, logical memory, verbal memory, attention span and concentration	●				●
Centellin®	<i>Centella asiatica</i>	Increases memory and concentration while reducing anxiety, slows brain aging and helps regenerate neurons (neuroprotective against cognitive impairment)	●	●			●
GliSODin®	<i>Curcumis melo L. + Gliadine</i>	Prevents impairment memory induced by stress, promotes antioxidant defences in the brain		●			●
Ashwagandha	<i>Withania somnifera</i>	increase GABA A receptors activity, reduces stress and relieve anxiety, neurons protection		●	●	●	
Satiereal®	<i>Crocus sativus L. stigmas</i>	Acts on the production of neurotransmitters and hormones (serotonin, melatonin and dopamine) via the adrenal glands (Serotonin Reuptake Inhibitor)		●	●		●
Bacopa	<i>Bacopa monieri</i>	Memory and neurotransmission enhancer (stimulating the arborization of dendritic cells), decrease anxiety level, increase dopamine level, neuroprotector effect	●	●			
Mucuna	<i>Mucuna pruriens</i>	Natural source of L-dopa, precursor of dopamine, action on the nervous balance (mood disorders, age-related tremors, sleep ...)	●	●	●		
Curcumin C³ Complex®	<i>Curcuma longa</i>	Protective action due to its ability to reduce inflammation in the brain, a factor associated with Alzheimer's disease and depression improvements	●	●			●
Saberry® / Amla	<i>Emblica officinalis</i>	Excellent brain tonic, helps improve the central nervous system	●				●
Alpha-lipoic acid		Powerful antioxidant, heavy metal chelator, essential cofactor for several enzymes	●	●			
5-HTP	<i>Griffonia simplicifolia</i>	Serotonin precursor (the 'happiness hormone'), involved in the regulation of sleep, appetite and mood		●	●	●	
Ginkgo	<i>Ginkgo biloba</i>	Reduces the symptoms of anxiety, symptoms of dementia of vascular or degenerative origin, including memory loss, attention disorders and depression		●		●	
SelenoMethionine	<i>Synthesis</i>	Low plasma Se status has been associated with selenity and cognitive decline	●				

SPORT, PERFORMANCE

			Performances, Muscles	Inflammation, Immunity	Nutrition, Weight	Recovery	Internal studies
Zynamite®	<i>Mangifera indica</i>	Nutraingredient award 2018, higher peak power output, VO2 max and oxygenation, no change in blood pressure or hearth rate, and no jitters, nervousness, agitation	●				●
Rhodiolife®	<i>Rhodiola rosea</i>	Immunity post-exercise, protects muscle cells, improves endurance & recovery, adaptogenic, reduces fatigue, neurotransmission	●	●		●	●
Digezyme®	<i>Enzymes</i>	Improves proteins intake, benefits on delayed onset muscle soreness	●	●	●	●	●
RedNite®	<i>Beta vulgaris</i>	Natural nitrate, betalains & polyphenols (no nitrites nor synthetic nitrates), performance during heavy resistance exercise, stress tolerance, increased mean peak EMG amplitude	●			●	●
Rhaponticum	<i>Rhaponticum carthamoides</i>	Natural ecdysteroid, increase muscle mass while decreasing fat mass, anabolic effects similar to those of some steroids - without producing harmful side-effects. Humoral activity	●	●	●	●	
Fenusterols®	<i>Trigonella foenum graecum</i>	Use of proteins in muscles rebuilt (increase deposition of prot., increasing muscle mass), increases muscle power, helps maintain the libido	●		●		
C3 Complex®	<i>Curcuma longa</i>	Anti-inflammatory, reduces muscle damage during exercise, optimizes recovery processes, weight and colesterol (body fat and interleukin-1β)	●	●	●	●	●
Bioperine®	<i>Piper nigrum</i>	Ultimate nutrient enhancer, only 5mg per dose to boost by 150% to 1 000% the bio assimilation (Curcuminoids, Minerals (Mg ²⁺ , Ca ²⁺ , Se ²⁺ , ...), vitamins					●
Promond®	<i>Prunus amygdalus</i>	50% protein from Indian almonds, 100% natural and vegan, free-flowing powder, good taste. Glutamate, arginine, aspartate, and phenylalanine			●		
enXtra®	<i>Alpinia galanga</i>	Energy booster by blocking adenosine (caffeine-like without side effects or amplifies caffeine benefits without the "crash"), release of dopamine, increases blood flow	●				●
GliSODin®	<i>Curcumis melo, Gliadine</i>	Strong action on immune system, protects against inflammation, DNA damages and induced lactate production, promotes production of anti-inflammatory cytokine IL-10		●	●		●
Cococin®	<i>Cocos nucifera</i>	Unique profile of nutrients from tender coconut, isotonic nutrients, blood circulation			●	●	
Boswellin®	<i>Boswellia serrata</i>	Decrease of inflammation, stimulation of immunity after exercise, muscle recovery, acts on 2 pro-inflammatory enzymes : 5-Lipoxygenase, Human Leukocyte Elastase		●		●	●
Hesperidin	<i>Citrus sinensis</i>	Inflammation reduction (5-LO, TNF-α, HLE), vasodilator, better blood flow, improves exercise performance (NO production)	●	●			
Capsaicin	<i>Capsicum annuum</i>	Aches & pains in muscles / joints (TRPV1), sport endurance (mitochondrial biosynthesis), increases muscle protein synthesis and adrenaline secretion	●	●	●	●	
Bromelain	<i>Ananas comosus</i>	Protein digestion, muscle repairment, inflammation management		●	●	●	
Resveratrol	<i>Polygonum cuspidatum</i>	Antioxidant, reduces inflammation, detoxifying		●		●	
Punicic	<i>Punica granatum</i>	Adipose in muscles, anti-inflammatory (decrease in triacylglycerol deposits), produces a surge in testosterone, CLnA to support healthy body weight		●	●	●	

Inflammation, Protection

			Inflammation, Joint, Gut	Immunity / Antimicrobial	Allergies / Asthma	Tumor	Internal studies
Echinacea	<i>Echinacea angustifolia</i>	Potent immune-modulator, rich in echinacoside - the active polyphenol from the root - and of dodecate-traenoic acid isobutylamide - alkamide for immunomodulation. Immune, respiratory, Ig, see EMA.	●	●			
Nigellin®	<i>Nigella sativa</i>	Anti-inflammatory, positive effect in the context of asthmatic (studies), anti-bacterial (Gram + germs), anti-fungal but also anti-parasitic and anti-viral	●	●	●		●
Boswellin®	<i>Boswellia serrata</i>	Inhibits the synthesis of leukotrienes, participate in the constriction of the bronchi in response to allergens, AKBBA reduced vitability and proliferation of leukemic cells	●	●	●	●	●
C3 Complex®	<i>Curcuma longa</i>	Anti-inflammatory (COX-2 inhibitor, without gastrointestinal side effects unlike NSAIDs.), increases the speed of remission of cancerous cells (NF-κB)	●	●		●	●
Rhodiolife®	<i>Rhodiola rosea</i>	Stimulates and protects the immune system (homeostasis), increases the natural killer cells (NK), balance the body's stress-response system (new study), adaptogenic		●			●
Zinc Methionine	<i>Zinc Monomethionine</i>	Benefit for the common cold and other airway infections. Antioxidant and protection against oxidative stress. Skin, nails, hair and bones health.		●			
GlisODin®	<i>Curcumis melo, Gliadine</i>	Strong action on immune system, induction of Th-1, INF-α and IL-4 , regulate cytokines productions, DNA damages, red. allergic asthma and house dust	●	●	●	●	●
Lactospore®	<i>Bacillus coagulans</i>	Improves Gut Microflora, production of Short-chain Fatty Acids, beneficial activities in gastroenteritis or irritable bowel syndrome	●	●			●
Eldeberry	<i>Sambucus nigra</i>	Boosts immune system, sinus pain, excellent sources of antioxidants, helps reduce inflammation and oxidative tissue damage	●	●			
Hesperidin	<i>Citrus sinensis</i>	Inhibition pain, oxidative stress, inflammatory cytokine production and NF-κB transcription factor activity (TRPV1), reduction of allergy and hay fever symptoms (inhib. histamine release)	●		●		
Bromelain	<i>Ananas comosus</i>	Inflammation management of the gut and joints	●				
Andrographis	<i>Andrographis paniculata</i>	Stimulates effects on the immune system, anti-inflammatory and antipyretic properties	●	●	●		
Fenusterol®	<i>Trigonella foenum graecum</i>	Expectorant, antifungal and antiparasitic properties, protects against diseases related to premature aging of cells such as breast, prostate, colon and gallbladder cancer		●		●	●
Amla	<i>Emblica officinalis</i>	Studied on growth of cancer cells in mammary, pancreatic or prostate tumors (confirmed, in vitro, on several human cancer cell lines A549, HepG2, HeLa, MDA-MB-231 etc...)				●	
Punicic	<i>Punica granatum</i>	Anti-inflammatory (decrease in tryacylglycerol deposits), inhibit prostate cancer metastasis, pro-apoptotic	●			●	
Resveratrol	<i>Polygonum cuspidatum</i>	Antioxidant, anti-inflammatory effects (inhibition of NFκB and AP-1), mitochondrial activation via sirtuins and PGC-1, activation of the PPARγ pathway (target of thiazolidinediones)	●				
Capsaicin	<i>Capsicum annuum</i>	Relieves pain by activating the TRPV1 receptor in the brain by «subst. P», triggers apoptosis of cancer cells in the stomach, pancreas and colon	●		●	●	
Ginger	<i>Zingiber officinale</i>	Anti-inflammatory effect thanks to leukotrienes and prostaglandins	●	●			
Ashwagandha®	<i>Withania Somnifera</i>	Adaptogenic, delay the process of cellular aging, decrease the activity of acetylcholinesterase and slow down tumor cells dvlpt		●		●	

Cardio, Blood Sugar

			Diabete / Blood sugar	Cholesterol / Lipidemia	Hypertension, Blood flow	Internal studies
GliSODin®	<i>Curcumis melo</i> , Gliadine	Reduces risk factor of cardiovascular disease, decrease carotid intima-media thickness			●	●
Gugulipid®	<i>Commiphora mukul</i>	Inhibits cholesterol biosynthesis, Improves the rate of cholesterol excretion and rapid breakdown. The cardiovascular response for cholesterol regulation, reduction of stored fat, and inflammation		●		●
Venocin®	<i>Aesculus hippocastanu</i>	Helps maintain healthy blood circulation and strengthen the capillaries and veins			●	●
pTerosol®	<i>Pterocarpus marsupium</i>	New alternative for blood sugar and cholesterol management. significant reduction fo serum glucose level, and increae of plasma insulin.	●	●		●
Curcumin C₃ Complex®	<i>Curcuma longa</i>	Effect of curcuminoids on Metabolic Syndrome: reduces serum concentration of LDL-C, non-HDL-C, total cholesterol, TG and Lp(a), helps cells with glucose absorption	●	●		●
Sabbery®	<i>Embllica officinalis</i>	Hypocholesterolemia (reduction of LDLc and TH, with high increase in HDL), improves glucose metabolism in Type II , reduces biomarkers of oxidative stess and inflammation	●	●		
Gymnema GS4+®	<i>Gymnema sylvestre</i>	hypoglycemic effect by promoting the bodies production of insulin, clinical studies on Type I and II, hypolipemic effect (improves lipids metabolism)	●	●		
Fabenol®	<i>Phaseolus vulgaris</i>	Alpha-amylase inhibitory that blocks the digestion of dietary starch, permits maintenance of healthy blood sugar levels	●			●
Berberine	<i>Berberis aristata</i>	Reduced blood sugar levels in people with Type II diabetes (inhibition of α-glucosidase), and lowering blood pressure by acting on AMPK, reported as statin	●	●	●	
Lactospore®	<i>Bacillus coagulans</i>	Production of Short-Chain Fatty Acids, used as substrates for lipogenesis and gluconeogenesis, controls insulin-glucose through glucagon-like peptide 1	●	●		●
Fenumannans®	<i>Trigonella foenum graecum</i>	Fibers or Glucomannans - Regulation of blood glucose levels in type 2 diabetes, improves the blood profile: reduction of LDL cholesterol and triglycerides	●	●		●
Nigellin®	<i>Nigella sativa</i>	Regular consumption of black cumin can reduce blood sugar levels and insulin resistance, making it an effective remedy for avoiding Type II diabetes	●			
Capsaicin	<i>Capsicum annuum</i>	Increases the level of nitric oxide, reduction of sodium retention by the kidneys			●	●
Hesperidin	<i>Citrus sinensis</i>	Vasodilator action, improves the integrity of the blood vessels			●	
Ginger	<i>Zingiber officinale</i>	Decreases fasting blood glucose and hemoglobin-glycated levels, and improves insulin resistance	●			
Centellin®	<i>Centella asiatica</i>	Triterpenic fraction has beneficial effects in people with venous insufficiency and varicose veins, venotonic activity				●
Cinnamon	<i>Cinnamon cassia</i>	Work on the sugar level, avoid the peak of sugar for longer satiety	●			
Resveratrol	<i>Polygonum cuspidatum</i>	Permits reduction of serum concentration of LDL, anti-oxidant effect		●	●	
Ellagic acid	<i>Punica granatum</i>	Decreases the oxidation of LDLc, antioxidant effect, prevents the formation of atherosclerotic plaque by increasing the activity of paraoxonase (PON 1)		●	●	
Alpha Lipoic	<i>Synthesis</i>	Sugar level, prevents from retinopathy and cardiopathy	●	●		

Weight, Detox, Digestion

			Slimming, Fat Burner	Satiety effect	Elimination, Detox	Digestion	Internal studies
Satiereal®	<i>Crocus sativus</i>	Moderate appetite, reduce compulsive snacking, significant and progressive reduction of weight	●	●			●
Digezyme®	Multi-enzyme complex	Multi enzyme complex with key and studied enzymatic profile: α-Amylase + Protease + Lipase + Cellulase + Lactase				●	●
Lactospore®	<i>Bacillus coagulans</i>	Improves gut microflora, production of Short-Chain Fatty Acids, beneficial activities in gastroenteritis or irritable bowel syndrome	●			●	●
Forslean®	<i>Coleus forskohlii</i>	Decreased Body Fat, increased Lean Body Mass by increasing the production of Adenylate cyclase enzyme - cAMP, acts on respiratory and cardiovascular health	●				●
Citrin® Garcitrin®	<i>Garcinia cambogia</i>	Reduction of carbohydrates in stored fat (slow down the conversion of carbohydrates), increases the use of fat	●	●			●
Fucoxanthin	<i>Undaria pinnatifida</i>	Increase fat metabolism, detoxify the digestive system, facilitating transit, helps reduce appetite	●	●	●		●
Elim'Real®	Formulation	Help to detoxify the body, assist renal elimination, increase urinary elimination and volume	●		●		●
Bromelain	<i>Ananas comosus</i>	Proteolytic activity, helps to better digest., reduces gastric acidity, reduces swelling and flatulence, reduces cellulite associated with water retention (anti-oedematous)	●		●	●	
Papain	<i>Carica papaya</i>	Proteolytic activity, helps digest proteins and fats, diuretic and antioxidant properties	●		●	●	
Fabenol®	<i>Phaseolus vulgaris</i>	Alpha-amylase inhibitor activity, «starch bloker», potential benefits in the maintenance of healthy blood sugar levels and optimal body composition	●				●
Licorice DGL	<i>Glycyrrhiza glabra</i>	Decreases the acidity of the stomach, calms the irritation of the lining of the stomach				●	●
Gymnema GS4+®	<i>Gymnema Sylvestre</i>	Promotes the bodies production of insulin, also works on weight management ("sugar blocking" property), gymnemic acids are sweetness inhibitors	●				●
Berberine	<i>Berberis aristata</i>	Indolent ulcers, stomach concerns (supports the healthy bacteria)				●	
Lemon fiber	<i>Citrus limon</i>	Dietary fiber, prebiotic, prevents and relieves constipation, normalizes bowel movements	●	●			
Punicic acid	<i>Punica granatum</i>	CLnA from pomegranate to support healthy body weight, antibacterial, antiviral and anti-inflammatory action, useful against flatulence, difficult digestion, diarrhea, bloating	●			●	●
Nigellin®	<i>Nigella sativa</i>	Draining effect helps in the elimination of toxins in the intestines and lungs, stimulates the digestive and intestinal systems			●	●	●
Saberry® / Amla	<i>Embliba officinalis</i>	Improve the stimulation of gastric juices and also support detoxification, possess antisecretory, antiulcer, and cytoprotective properties			●	●	●
Ginger	<i>Zingiber officinale</i>	Antiemetic effects by reducing the movements of the stomach				●	
C₃ Complex®	<i>Curcuma longa</i>	Allows to make fat soluble, what promotes digestion and elimination of fat cells, helps cells with glucose absorption, remove gallstones	●		●	●	●
Capsaicin	<i>Capsicum annuum</i>	Stimulates metabolism, increases fat burning, decreases appetite by increasing the secretion of GLP-1 , anti-inflammatory effects on H. pylori-induced gastritis	●	●		●	●
